CRICAGO, June 24 .- One thousand freight conductors, brakemen and switchmen of the Illinois Central struck last night, followed by 300 passenger trainmen this morning. Not a wheel is turning on the road here. Everything is quiet. The strike is for the discharge of the obnexious superintendent. Russell, and the reinstallment of two minor officials. The strikers this afternoon ordered all the branches of the read in Illinois, Wisconsin and Iowa tied up. It is said that not a wheel is moving north of the Ohio

The men insist on the dissmisal of Super intendent Russell whose jurisdiction ex-tends over the lines in Illinois, Iowa and

tends over the lines in Illinois, Iowa and Wisconsin. They have many grievances against him. Train masters were discharged by him as mentioned in these dispatches last night.

The men did not wish to be held responsible for interferring with United States mails or express matter, and consequently attached the mail and express car to the fine of the New Orleans mail train to day. The general superintendent, however, refused to start the train until the passenger coaches were attached, and the strikers warned him that he detained the mail and express at the company's risk.
